The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1-68 are rejected under 35 U.S.C. 102(b) as being anticipated by Robbins, III (5,417,337) (Robbins).

Robbins discloses a collapsible container comprising a base, a top ring and a collapsible wall extending therebetween.
